Thanks Brian. Jess is no longer involved with this site so you do not need to send it to her. I am happy with electronic copies or CDs. No need to send me paper copies. Vickie

Vickie

Thanks for the update. I am planning on having our contractor send you one complete hard copy including the appendices, three hard copies of the draft report without the appendices containing the lab information with the lab information on a CD, and 3 CDs of the entire report. Please let me know if you need more than 1 hard copy of the entire report. I will have the contractor get them in the mail to you, Phil and Jessica by the end of the week. I will have the contractor send the hard copy of the entire report to Phil if that is ok with your agency

Thanks

Brian –

I am currently assigned to the Falcon site. We would have figured it out either way.

Thanks,
